

### **Benefits of Membership on the OCCHA Board of Directors**

- ✓ Provides an opportunity for input into standards of excellence (both program and organizational standards) for public health in support of accountability, effectiveness and efficiency.
- ✓ Provides opportunity to support the MOHLTC in the development and implementation of a performance measurement process for public health in Ontario.
- ✓ Provides an opportunity for member organizations to ensure that association standards of practice are considered by OCCHA in the development and implementation of OCCHA standards (i.e., staff qualifications, competency, etc.)
- ✓ Provides a forum for discussion of accountability and continuous quality improvement initiatives with other professional public health organizations in Ontario.
- ✓ Provides linkage with other public health CQI representatives and public health professionals.
- ✓ Member organizations are all voting members of the board.
- ✓ Member organizations are actively involved in discussions and initiatives of the OCCHA Board and are able to ensure that OCCHA discussions and the accreditation process include and are reflective of relevant public health initiatives (i.e., benchmarking, core competencies, etc.)
- ✓ Provides another venue for input into provincial initiatives (i.e., the CRC, performance measurement) from an accountability perspective.
- ✓ Enhances the profile of the organization in that you are identified as a member of the Board.
